The discovery made last week by Mr. Theodore M. Davis, in "the Valley of the Tombs of the Kings, of the stohio of the Kings, of the tombs of the Kings, of the tombs of the Kings, of the tombs of the Ameshotep III. and the insther and mother of his wife, Queen Tuy, is of the greatest importance. The nummins of the father and morphological and pold in ancient times security of the complex of the property of the court of the was also a complete chariot with wheels, pole and neely took, the body of the chariot being covered with gold leaf. The collection is the most beautiful and extensive ever found.

#### THE RAILWAY REPORT.

THE NATIONAY REPORT.

A correspondent writes:—As an Alexandrian and a business man I was surprised to read in the columns of the "Egyptian Gasente" that the authorities at Gairo had in their windom decided to expurgate the report of the Ealiway Commission, and only to issue "portions" to the public. In Alexandria many pominent countercial men were invited to express their views on different subject someted with the management of the Evertism express their views on different subjects con-nected with the management of the Expytian State Railways to the members of the Commis-sion, and it is only fair to them to publish any decisions arrived at. The report might be arspected to show who or what was responsi-ble for the block of traffic at Gabbari, whigh lasted so many months and caused such a great deal of loss and inconvenience, not only ugil lasted so many months and caused used by the period caused with the control of the control

#### THE MACAO GARRISON.

The British India steamer "Matinan" (Capt. Faussett), which entered the Ganal yesterday evening, had on board 189 Fortugness officers and men of the Maxon garrison to their way to Lisbon, where the steamer will specially call. Captain Ignizio Indroft, R.N. who was the omnanting officer of the relief garrison for Maxon on board the transport "San Thome," which was wrecked in the Red Sea a few months ago; is again the commanding officer of the homeward-bound garrison. The average of the small loans is LE 6.1 and the average of the larger loans LE 33.3. During January of this year the balance of the 3½ % bonds, amounting to £23,000, has been placed and about £25,000 part of the unissued preferred shares have been sold. The constantly increasing applications for loam make an extension of the powers of the bank for providing capital necessary, and accordingly negotiations have been entered into with the Government, the result of which will be communicated to the shareholders in due course.

The Board wish to record their appreciation of the services of the whole staff at the head-quarters of the bank and of the agents in the provinces.

## ABBAS HELMY THEATRE.

MASSENET'S MANON.

MASSENSTS MANON.

This opera was produced for the second time during this season last venning, and a large (and fashionable andience listened with rapt Attention, and delight to Signors Bellincion's magnificent interpretation of the titletois. It would indeed be difficult to discover a more perfect study of the character action, and the season of the character action, as picture finished even to the near titletois. It would indeed be even to the near titletois, and the season which has undoubtedly been the key to her world-wide and well-merited success. In the third act Signors Bellincioni absolutely enthralled her audience and received frantic applicates, which, naturally, was lavishly bestowed upon her throughout the representation. Signor Tomissan was in excellent voice and made an admirable Cav di Grinze, his performance contributing largely to the general. and make an admirable Cav. di Grisux, his performance contributing largely to the general same and make an admirable Cav. di Grisux, his performance contributing largely to the general same and the sa

# THE AGRICULTURAL BANK, PERSONAL, AND SOCIAL,

ANNUAL REPORT.

ANNUAL REPORT.

The second ordinary general meeting of the shareholders of the Agricultural Bank of Egypt was held at the offices of the bank yesterday, afternoon, when the following report of the directors on the working of the bank during the past year was submitted and approved:

The directors have to report that the net profits of the bank for the financial year 1904, established in accordance with Article 40 of the statutes, amount to £17,559, 9.11. From this amount there has to be deducted: (a) The given of the bonds outstanding, £27,795, 10.7; (b) the provision for the reserve fund, £1,216.8, 10, which is a total of £40,711.19, 5, leaving £117,147, 10.6. And there has to be further deducted: (c) divided on £625,000 preferred shares, £24,596.3, 7; (d) %, to the National Bank of Egypt, £2,566, 15, 10, which Lord and Lady Cromer passed Deyrout last night on their way down the river. Lady Curzon of Kedleston is returning to ladia by the P. and O. S.S. "Arabia," which is due at Port Said this afternoon. Sir Wil-liam and Lady Dick-Cunyngham, Sir Wil-liam Dalby, and the Hon. A. Hill Trevor

preferred shares, £24,596.3, 7; (d) 5% to the National Bank of Egyps, £2,866.15, 10, which is available for distribution of dividend on ordinary and deferred shares.

The ordinary shares have to receive in the strategies on the 23th and 23rd of the month, at which the members of the month, at which the month at large framework is a second of the month.

The ordinary shares have we be considered and make the stance of £24,684.11.1 as a shall of considered and the fact of £12,342.5 6, for further dividend on the or £12,342.5 6, for further dividend on the or £12,342.5 6, for dividend on the deferred the fact of £12,342.5 6, for dividend on the deferred the fact of £12,342.5 6, for dividend on the deferred fact of £12,342.5 6, for dividend on th

We regret to state that our excellent con-frère, Dr. Haicalis Pasha, of the "Phare d'Alexandrie," is making but slow progress towards recovery and is still very feeble. \$12,342.5.6, for dividend on the deferred shares.

Ordinary Shares. The amounts available for dividend, on these shares for the year are as tollows: Balance-from 1903, £188.6.3. For dividend at the bate of 5 % per an. num, £92,000.00. Further amount available, £12,342.5. for those 170,420.00. The directory propose a dividend at the rate of 6 % per annum for the year 1904 on the ordinary num for the year 1904 on the ordinary number of the propose of dividend on these shares is £12,342.5. The directors propose a dividend at the rate of £6.3.0 per share for pin year 1904, amount available for dividend on these shares is £12,342.5. The directors propose a dividend at the rate of £6.3.0 per share for pin year 1904, amounting to £12,300.00, and to carry forward the blance of £42.5.6.

As pointed out in last year's report,only the The Pasha's son-in-law, Captain Peirakos, or the Hellenic Royal Artillery, arrived from Athens on Saturday.

Lieut-Col. G. D. Hunter, D.S.O., Royal Army Medical Corps, having reported his arrival in Egypt from Regland, has been taken on the strength of the Egyptian Army, with the make of Minlai, and been posted to the Medical Corps.

Captain and Mrs. Borton have returned to Alexandria from Cairo, where they have been for the last few months. Captain Borton's ap-pointment to the Post Office Administration has not yet been officially announced. ing to £12,000.00, and to carry forward the balance of £24.56. As pointed out in all year's report, only the interest actually recovered during any financial travest actually recovered during any financial year can be taken into account in making up the lashnow sheet. Accordingly only the interest actually collected, vi., £248,505.50, has been carried to £10,400, whereas the interest and fees account 1904, whereas the interest of 1908 and fees account 1904, whereas the interest of 1908 are not only a feel of 1904, the overdee loans fer the year amounted to £21,220 and the overdies interest to £7,200. Of these two items, £13,730, and £4,330 have been collected respectively since the closing of the accounts for 1904. Mr. and Mrs. J. E. Cornish and family desire to thank all those who have offered them such kind expressions of sympathy in their recent bereavement, and to assure them

Mr. P. W. Machell returned to Cairo from an aspecting trip to Upper Egypt yesterday.

Dr. A. Granville has been appointed assistant inspector to the Sanitary Depart-ment at an annual salary of L.E. 360. counts for 1904.

The directors are glad to be able to report that the work of the bank has steadily progressed throughout the year. The total number of loans put out in 1204 was 112,103 and the total number obtaineding on the 51st December, 1904, was 144,207, amounting to over The engagement is announced of Miss Privat, daughter of the well-known French advocate at Cairo, to Comte de Cordon, nephew of the Marquis of Momigies. £4,000,000, as against 78,911, amounting to slittle over 2,000,000, on the 31st December,
