MISSIONS TO MOHAMEDANS.

Captain Brooke Smith) has arrived from Suestreet, the tractice under the above title which you, recently published, has brought some very tracticed to the proper basis, and drives one of the tracticed with the published with the question from a process of the proper basis, and drives the problem on its proper basis, and drives the problem on the problem of the p To the Editor of the Egyptian Gazette

equalty good and true. It would be too absurd.

It is a great pity that such questions cannot be dealt with without importing into them the everlasting religious difficulty. Unfortunately there is no pro-spect of its being eliminated for those inshed with the tree missionary spirit are bound to obey what they believe to be a divine command to go not and preach the chapel to every through page, and reverently in the command of the control of the con-trol of the control of the present time would be searcher missionary enterprise as a present conducted a and might not he say. There are their commands even of greater importance that should first be obeyed. "A new commani-ment I green out that ye love one another." that should first be obeyed. "A new communional fayes join that ye love on another." What of that? Let the state of the Christian Course hat the present time answer. Sai indeed must be the conception of the Christian love as exemplified in Scoldard join tows, to take only one instance of the bitterness see the contraction of the partie below the contraction of the partie below that is the contraction of the partie of the partie of the parties of the pa

irequently to be found among the founders of the gentle Savinor decayly on such matters. To one who than the ever present. Has the control of the savinor decayly on such matters and the savinor that the savinor decay of the savinor and that is claimed for it be true! Salem El Khenouf, in his touching letter dated from Suer, tells us how he found Majhomedanism insufficient for his sprintant useds, and how Christianity supplied them; others, myself among the number, can tell how they have found Christianity supplied them; others, myself among the number, can tell how that they find it necessary to reject week initiation of the savinor of the savinor that the savinor of the s

reacrated him in my old orthodox days as God himself unde man.
