THE INTERNATIONAL COMMISSION.

INTERNATIONAL COMMISSION.

The North Sea Commissioners have completed their report, and we are informed in a telegram this morning that the report does not enter into any damason as to the presence or absence of the torpedo back, but declares that Admiral Rodjestweaky "might legitimately have believed that he quadrow was endangered, and was entitled he will be a supplementation of the proper be correct it will not give much satisfaction in England. There was no question of arbitration involved. this version of the gist of the report be correct it will not give much satisfaction in England. There was no question of arbitration involved. Either the Reasan fleeth adt the right to open fire, or it had not. The functions of the Court were merely to scentrain the facts, and according to this morning's telegrams the Hossian of the Court will be authorized. The decision of the Court will be authorized, the decision of the Court will be authorized, the decision of the Court will be authorized, the result has placed the violucation of the national rights and honor in the hands of aliens with the result that the finding of the Commission has left us with the satisfaction of knowing that we have visidioated, at our own expense, the beauties of international arbitration, but without any of that antisfaction of another kind court any of that satisfaction of another kind court any of that satisfaction of another sind dignity prompted him, at the very continuous dignity prompted him, at the very continuous that a world which worships success, and is not too tender towards fastion; is laughing in its sleeve at our discountiture. The Prime Minister in his speech on the 28th October showed his audience and the nation that the fact of the commission of a gross outrage is not in doubt. In terms of agrees outrage is not in doubt. In terms of agrees outrage is not in doubt. In terms of agrees outrage is not in doubt. In terms of Romain Admiral's fary sale about that the torped-boats was a monstrous fiction—that, to put it in plan English, Rodjiservensky we
